Small Industrial Zone <ul style="list-style-type: none"> Areas located in or adjacent to small industrial zones. 	10 YEARS
Coastal Areas <ul style="list-style-type: none"> Coastal Areas located 2 kilometers away from the coast. 	5 YEARS

Warranty Terms and Conditions

- 1** BDN FASTENERS guarantees that within the scope of warranty categorized in the environmental characteristics, the characteristics of the screw should not alter due to corrosion or surface treatment failure.
- 2** The warranty should be in affect starting from the date of purchase or the date of installation.
- 3** Should any damage occur in the state mentioned in 1., the customer will be compensated with screws of the same specification, and with the same or equivalent coating.
- 4** Any warranty claim should be notified in written form and executed only after the damaged goods have been inspected by authorized or Broaden appointed third party personnel.
- 5** The scope of this warranty does extend to nor include indirect or collateral damages.
- 6** The warranty is void if damages are found to be deliberate either during or after installation or via with chemicals (e.g. Direct contact with wet concrete). Screws that were stored incorrectly prior to installation or used for the wrong application will also void warranty.
- 7** This is a non transferable limited warranty which is only valid for the original owner/buyer.
