About US

Broaden Worldwide Co., Ltd is an ISO 9001:2015 Certified Manufacturer. Our headquarters is in Taiwan and we operate sales and marketing offices in India and Thailand. Founded in 2009.

Broaden uses wire from CSC Taiwan for all of our fastener production. Our production consists of the three most critical steps of fastener pre-production – heading, pinch pointing, and threading.

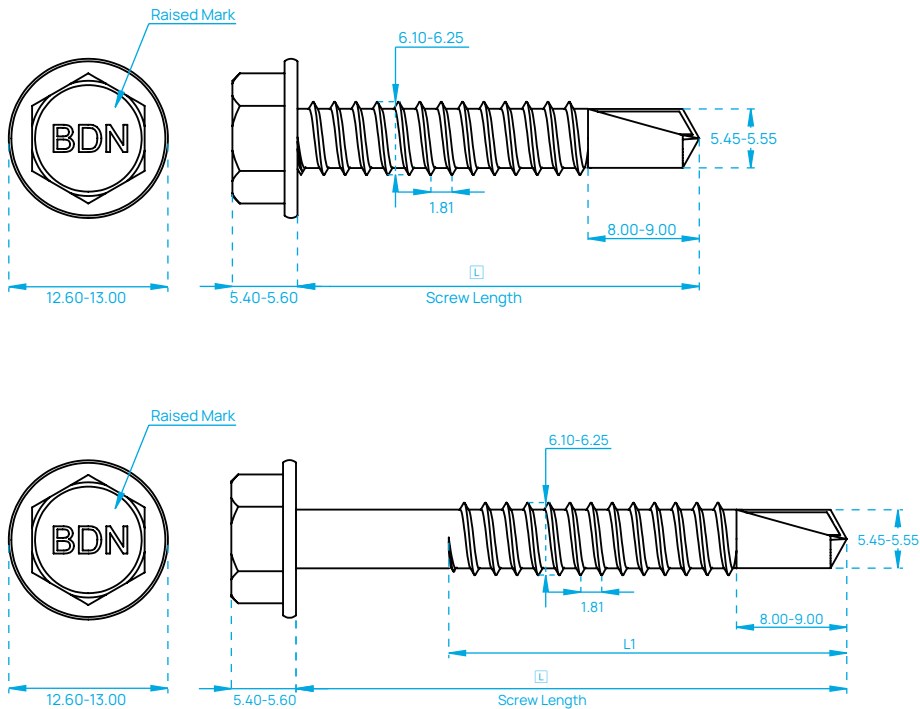

Post processes such as Heat Treatment, Plating, and Ruspert coating are outsourced to professionals in their respective fields.

Registration Number: 56Q22310
